Colorado Management & Realty Inc. Specializes in the management of rental units and homeowners associations. Founded in 1988 we are proud to be serving the Denver Metro area for over 20 years. Our portfolio includes single family units and up. We have specialized over the years in providing professional services to smaller communities, and managing properties as if we owned them ourselves. We are proud to have long term clients that have been with us for many years, many of our clients have been with us over an decade. Friendly, competitive service, along with hard work, good advice and a special staff are all reasons we contribute to this success. If you are ready to make a change, buying your first rental or starting up your HOA, let Colorado management help you achieve success.
